

DECLARATION OF PERFORMANCE

No. **181094**

1. Unique identification code of the product-type:

For product number please see Annex 1.

2. Intended use/es:

These products provides a water retaining area for the purposes of showering.

3. Manufacturer:

Versa Group

Zeutestraat 1, 2800 Mechelen-Belgium

4. System/s of AVCP:

System 4

5. Harmonised standard:

EN 14428:2004+A1:2008

6. Declared performance/s:

Essential characteristics	Performance	Harmonised technical specification	Assessment of characteristic
Cleanability	When tested visually, the surfaces of the components of the shower enclosures which are accessible during use and cleaning are free from sharp corners, edges and burrs.	EN 14428:2004+A1:2008	Pass. No sharp corners, edges and burrs.
Impact Resistance	When tested the particle count is more than 40.		Pass.
Corrosion resistance	All components are corrosion-protected. The minimum average thickness of coating on aluminium is of grade AA 8.		Pass. The reagent does not cause a stain and deterioration, and such stain or deterioration is removed with water or abrasive agent.
Resistance to chemicals and stains	When tested, the glass would not show permanent staining and deterioration.		Pass.
Resistance to wet and dry cycling	When tested, the glass would not show any cracks, crazing and discoloration.		Pass.
Endurance	When tested, shower enclosures would not show any functional deterioration after 20000 closing-opening cycles.		Pass.
Stability	When tested with the impact body falling inside the shower enclosure with energy to be 135J, shower enclosures could withstand the energy without any functional deterioration which could result injury to the user.		Pass. Energy: 125J H:25cm Shower enclosures could withstand an energy without any functional deterioration.
Water Retention	When tested, shower enclosures could retain water.		Pass. No any leaks from the water retaining area.

The performance of the product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.

Signed for and on behalf of the manufacturer by:

At Mechelen, on 06.12.2023 .
